A Prayer To Break Generational Iniquity and Curse

Father, I come to You as the Father after whom all the families in heaven and earth are named. You originally ordained the family to be a blessing on the succeeding generations, and I thank You for the blessings in my life derived from the righteousness of bygone generations.

Though Your intention through the family was blessing, through some of the sins of my ancestors, iniquity and curse may have been visited upon me and my family. In the Name of the Lord Jesus Christ I choose to forgive my forebears for their sins that have harmed me. I confess any way that I have engaged in those same sins. I renounce those sins *(specify if you know them)* and I ask You to cut me off from any iniquity and curse coming down to me through either my mother's or my father's family line.

I thank You, Father, that the Lord Jesus Christ took all my curse on the cross. I ask You to set me free from every curse upon my life and family, that I might inherit God's blessing.

In the Name of the Lord Jesus Christ and by the power of His blood, I command any demonic spirits carrying generational iniquity or curse to me and my family to leave me now!

Amen.
